

COVID-19 UPDATE:

As of March 25, 2021,

Arturo's Mexican Restaurants

will be open for our full capacity of
Dine-In Seating per the Executive Order by
Governor Ducey.

Of course our Take-Out and Curbside Pick-Up
is always an option too!

The health and wellness of our customers and staff
has always been our top priority
for the past 25 years!

We continue to follow the CDC guidelines and are
doing our best to keep everyone as safe as possible,
while continuing to serve our community with the
Mexican food they love.

We look forward to serving you!

ENJOY!!
